VII
I.—SUMMARY OF THE WORK OF THE AMERICAN HISTORICAL ASSOCIATION DURING THE YEAR 1892, BY HERBERT B. ADAMS, SECRETARY.
No annual meeting of the association was held during the year 1892 in consequence of the resolution passed by the Executive Council in Washington, December 30, 1891, to hold the ninth annual meeting in Chicago in 1893. The work of the association has, however, gone forward in literary ways. The progress of historical literature in the United States from 1887 to 1892 has been carefully reviewed by one of our members, Dr. John Martin Vincent, an American contributor to the Jahresberichten der Geschichtswissenschaft, annually published by the Berlin Historical Society, and his work will be printed in the report for 1893. In view of the requirements of our charter to report annually to the Secretary of the Smithsonian Institution on the condition of historical study in America, it has seemed wise to initiate systematic and classified reviews of recent contributions to historical literature in this country.

The bibliography of the published writings of members of the American Historical Association has been continued by Mr. A. Howard Clark during the year 1892 and supplemented by additions to bibliographies belonging to previous years. The bibliography of the publications of the historical societies of the United States has been completed by Mr. A. P. C. Griffin, of the Boston Public Library, and its publication is now continued from the annual report of 1890. Certain papers read before the association, or long promised, are included in the present report. Among such contributions are The United States Provisional Court for the State of Louisiana, by Judge Charles A. Peabody; Some Account of the Historic Value and Dispersion of the Autograph Papers of Gen. George Washington, by J. M. Toner, M. D.; Lotteries in American History, by A.
R. Spofford, Librarian of Congress; Copies of Certain Tracts relating to America, found by Prof. James E. Thorold Rogers in the Bodleian Library at Oxford, and by him obtained for the American Historical Association.

The American Historical Association was organized at Saratoga, N. Y., September 10, 1884. It was incorporated by act of Congress, approved January 4, 1889, "for the promotion of historical studies, the collection and preservation of historical manuscripts, and for kindred purposes in the interest of American history and of history in America." Since its foundation the Historical Association has published five volumes of "Papers" through G. P. Putnam's Sons, or the Knickerbocker Press, New York and London, 1885-1891. Through the Smithsonian Institution it has published three "Annual Reports," for the years 1889, 1890, and 1891. All future publications of the society will be issued from the Government Printing Office in Washington. The first series, published by the Putnams, has been discontinued.

The following complete list of the "Papers of the American Historical Association" and of the "Annual Reports of the American Historical Association," is reprinted and supplemented from the bibliography prepared by Mr. A. P. C. Griffin, of the Boston Public Library, for the Annual Report of the American Historical Association for the year 1890:
