

QUESTIONS FOR AHA INTERVIEW

Research

1. Explain to us your dissertation and its overall objectives.

2. Where do you place your dissertation in the general historiography of the field?

3. What remains of revising the dissertation for publication?

4. What is your timetable for submission of the manuscript for publication?

5. What are you considering for a second research project?

Teaching

1. What would you say are your strengths and weaknesses as a teacher?

2. What courses would you like to offer on the undergraduate level?

3. If you were to teach a freshman seminar, what would the topic be?

4. If you were to teach a senior seminar, what would the topic be?

5. What kinds of books would you use in a two-semester introductory survey of South Asian history?

6. What kinds of things or ideas would you hope to impart to your students?

7. Would you be interested in teaching any course outside the South Asian field? Would you be interested in participating in a global history survey or developing a global history survey?
