welcoming all comers of every stock and every clime who came here for the realization of themselves, in spirit, in energy, in faith, in search of the careers open to all the talents. And you remain so, hospitable to all who are eager for service to the community, in the uplift of themselves, their fortunes, and the general good. To make the most of oneself, the unselfish self, is the greatest contribution to mankind. No wonder therefore that you have the passion for origins, the true historic zeal. We are happy to meet under the auspices of Buffalo, and in particular of the Buffalo Historical Society, which with a few others a very few stands forth as an example, a shining example to its kind. In the American way, the elevating influences of life are organized privately, then shared by public support, and sometimes when their utility is conclusively proven, continued and perpetuated by the public care under private guidance. You and your associates, Mr. President, and Mr. Secretary Severance, must feel a sober pride in the foundations you have laid. We are your debtors, we and our successors. When you celebrate your 50th anniversary under the highest auspices, your splendid building with its precious collections must be the Mecca for every scholar engaged in research about the Niagara frontier. For this we are deep in your debt; that your collection has been intensive and special, that one portion of the field is especially and peculiarly yours.

We are also in your debt that in this great community you cherish and foster the love of history. Aside from your special collections you open wide the doors to your public for general historical reading; you summon great scholars to stimulate their zeal by lectures, and you make popular the study of history by talks on its romance and illustrations of its beginning. May your work prosper and may you see it prosper long in your hands. The splendid books you publish take you into all learned institutions; it is a pleasure for learned societies to come to you.

MINUTES OF THE ANNUAL BUSINESS MEETING OF THE AMERICAN HISTORICAL ASSOCIATION, HELD AT THE HOTEL STATLER, IN BUFFALO, N. Y., DECEMBER 29, 1911, AT 4.15 P. M., PRESIDENT W. M. SLOANE IN THE CHAIR.

The report of the secretary, Mr. W. G. Leland, was read and showed a total membership of 2,905 as against 2,925 for 1910.

The following telegram from the Oregon Historical Society was received and read:

"GEORGE H. HIMES, Assistant Secretary.
"T. C. ELLIOTT, Director."

The secretary of the council, Prof. C. H. Haskins, reported that the council had held three meetings during the past year. The committee on historic sites, of which President Edwin E. Sparks is chairman, had presented a report which it was expected would eventually be published in the annual report and the committee had been discharged. The committee on a bibliography of travels had reported to the council in favor of the preparation of a systematic card catalogue of travels, in charge of a general editor, to be carried out under the direction of the committee on bibliography. The committee on the work of European historical societies, Dr. J. F. Jameson, chairman, had reported a list of societies in Great Britain and Europe, which would be printed in the next volume of the annual report. The council, upon considering the report of the committee on the certification of high-school teachers of history, Prof. D. C. Munro, chairman, had voted to express its approval of the efforts being made to secure a better preparation on the part of teachers of history in elementary and secondary schools, and had appointed a committee on the preparation of teachers on history in schools to advise with and cooperate with similar committees of local associations of teachers; but it was understood that the committee should have no authority to set up any specific standards of preparation without further action by the council.

The secretary of the council then offered on behalf of the council the following votes, which were adopted by the association:

Voted: That the American Historical Association ought to participate in the publication of the History Teachers’ Magazine.

Voted: That the association will appropriate $600 annually for this purpose upon the following conditions: (1) That an annual guaranty fund of $600 be raised; (2) that the price of general subscription for the magazine be $2 a year; (3) that the magazine be offered to members of the American Historical Association at $1 a year; (4) that local and regional associations of history teachers be requested to make
