

## Guide to Success

### Avoid the academic rollercoaster!

#### Academics

- ◆ *Consult with the writing tutors.*
- ◆ *History 301 = Priority #1.*
- ◆ *Get major advising early & often – at least once a semester from a History Department advisor.*
- ◆ *Plan your schedule – check the Department bulletin boards for upcoming classes.*
- ◆ *Keep your career goals in mind when you choose classes!*
- ◆ *It's not a race: If you need to attend part-time, that's okay – being successful is better than being speedy.*

#### Outside of the classroom

- ◆ *Get involved! Join HSA & other student organizations.*
- ◆ *Schedule fun activities every week!*
- ◆ *Keep track of deadlines: Financial Aid, Study Abroad, Registration, and Applications.*
- ◆ *Attend department events that interest you.*
- ◆ *Ask for help if you need it!*

## History at the Beach

The History B.A. provides students with the skills and knowledge to succeed in the contemporary workforce. Our program is nationally recognized for the high quality of our three programs: The History B.A. and M.A. degrees and the Social Science Credential Program. Our alumni are museum professionals, teachers, writers, lawyers, health care professionals, entrepreneurs, criminal justice and policing professionals, corporate executives, realtors, elected officials, coaches, adventurers, librarians, journalists, and college professors. Skills in research, analysis, organization, writing, and presentation will provide a solid basis to pursue virtually any career path you choose once you graduate!
