

GROUP UNIT PLAN REVIEWS RUBRIC – 5%

This is a group assignment and must be completed as a group. Your group will receive one grade, although I reserve the right to change that in extenuating circumstances out of a concern for fairness. Failure to participate in the group work will result in a zero for this assignment.

A (100-90):

Each group member has made extensive and insightful comments (both positive and negative as appropriate) on the reviewed Unit Plan. These comments are fair, polite, and constructive.

The group has submitted a joint review that provides constructive positive criticism that will definitely help improve the quality of the reviewed Unit Plan. It is extensive and does not dwell on trivialities.

B (89-80):

Each group member has made many insightful comments (both positive and negative as appropriate) on the reviewed Unit Plan. These comments are fair, polite, and constructive.

The group has submitted a joint review that provides constructive positive criticism that will probably help improve the quality of the reviewed Unit Plan. It is complete and does not dwell on trivialities.

C (79-70):

Each group member has made at least some insightful comments (both positive and negative as appropriate) on the reviewed Unit Plan. These comments are fair, polite, and constructive.

The group has submitted a joint review that provides constructive positive criticism that may help improve the quality of the reviewed Unit Plan. It is complete and does not dwell on trivialities.

Below C (<70):

The reviews are some combination of inappropriate, rushed, shallow, or trivial. They may also be rude, unprofessional, or simply incomplete.
