

## MICRO-TEACHING RUBRIC – (PART OF PARTICIPATION)

I realize that you are under time constraints and that it will be difficult to manage some of the transitions well as a result. This rubric is only concerned with presentation skills. Other questions about the quality of the content will be covered in class and during individual reviews.

	<b>A</b>	<b>B</b>	<b>C or worse</b>
Activity choice	Excellent use of short time	Good use of short time	Ran out of time or had to cut short activities
Eye contact	Makes eye contact with the whole class	Makes eye contact with all parts of the class	Limited eye contact
Classroom Management	Handled the class seamlessly and effectively	Handled the class effectively	Had difficulties with the class
Presence	Commanding presence that elicits attention and respect	Good presence that gains attention	Difficult time establishing a presence
Student-Centered	Students are connected with the lesson in a variety of ways	Students are somewhat connected to the lesson	Students are only connected to the lesson in a limited manner
Ability to handle questions	Questions are handled seamlessly and effectively	Some questions were awkwardly or incorrectly	Questions were handled very poorly
Organization	The lesson was well structured and the flow and intent were clear	The lesson was well structured with a coherent flow	The lesson was disjointed
