# GENERAL INFORMATION

**HEADQUARTERS:** Headquarters will be located in two hotels: the Sheraton-Park Hotel at 2660 Woodley Road, N.W., and the Shoreham Hotel at Calvert Street and Connecticut Avenue, N.W. Meetings, luncheons, and dinners will take place in both hotels which are within a few minutes walk of each other.

Twelve hundred rooms have been set aside in these two hotels for AHA members at the following special flat rates: singles \$9.00, doubles and twins \$14.00. Members should use the enclosed reservation cards, making their own choice of hotel or mention the AHA and reserve long in advance. It is understood that if space is exhausted at one hotel the reservation will be transferred to the other hotel. The Shoreham and Sheraton-Park, situated on the middle reaches of Connecticut Avenue, are served by Connecticut Avenue buses.

Other hotels, none located close to Headquarters but closer than some, include the: Dupont Plaza (1500 New Hampshire Avenue, N.W., at Dupont Circle), special AHA rates for singles \$9.00, doubles and twins \$14.00; Mayflower (Connecticut Avenue and De Sales Street, N.W.), special AHA rates for singles \$10.00, doubles \$15.00, suites \$37.50; Presidential (900 19th Street, N.W.), singles \$6.00, doubles \$8.50, suites \$8.50 to \$11.00; and Windsor Park (2300 Connecticut Avenue, N.W.), singles \$9.50, doubles \$16.00 to \$18.00, suites \$13.00 to \$24.00. All rates are subject to the District of Columbia sales tax.

**REGISTRATION:** There will be a registration desk in the lobby of the Shoreham Hotel. It will be open on Wednesday, December 27, from 4:00 until 9:00 p.m.; on Thursday, December 28, from 8:00 a.m. until 6:00 p.m.; on Friday, December 29, from 9:00 a.m. until 5:00 p.m.; and on Saturday, December 30, from 9:00 a.m. until 12:30 p.m. The registration fee is \$1.50. The registration badge for admittance to sessions and all tickets for luncheons and dinners listed in this program may be obtained at the registration desk.

*There will be no advance registration.* Members are asked to fill out in advance the enclosed registration form and present it with proper fees at the registration desk *immediately upon arrival.* Checks will be accepted if made out to the American Historical Association for the exact total of registration and meals. No refunds can be made.

**LUNCHEONS AND DINNERS:** All luncheons are priced at \$3.75, all dinners at \$6.25, including taxes and gratuities. Tickets desired should be indicated on the enclosed registration form, to be presented at the time of registration. Because the Association must give advance notice to the hotels regarding numbers at luncheons and dinners, early purchase of tickets is essential.

**LOCATOR FILE:** Names of registered members in attendance and their local addresses while at the meeting will be available at a locator file.

**JOB REGISTER:** At the meeting the services of the Job Register will be available. Candidates for positions may register or reregister, and departmental representatives seeking staff members may make inquiries. The Association will assist in arranging interviews. Departmental representatives will facilitate arrangements by informing Association headquarters of their needs before the meeting, and each candidate should inform the Job Register of his presence and address as soon as he arrives in Washington. The Job Register will be located in the Adams and Hamilton Rooms of the Sheraton-Park Hotel.

**GROUP MEETINGS AND REUNIONS:** Some historical societies and groups have arranged special sessions which cannot be listed in the general program. Mimeographed announcements concerning them will be available at the Information Desk when these are supplied to the Local Arrangements Committee Chairman. Information concerning group reunions, such as smokers and breakfasts will be posted on the bulletin board at the Information Desk. All groups desiring to hold meetings should arrange for them directly with the Convention Bureau of one of the hotels, sending a copy of correspondence to the Local Arrangements Committee Chairman.

# AN IMPORTANT REVISION

coming from Van Nostrand next Spring

Now in production, the long-awaited third edition of the Chitwood-Owsley-Nixon *Short History of the American People* will be published next Spring. Its new title, *The American People: A History*. Its new collaborator, Rembert W. Patrick. Its new contents:

- • The first two chapters of Volume I are new;
- • The material on the home front during the Civil War and on the Reconstruction Era is entirely rewritten;
- • New sections deal with the second Truman administration, the two Eisenhower administrations, and the beginning of the Kennedy administration;
- • A number of chapters on social and intellectual history are added;
- • Additional pictures, maps, and charts enhance the text's impact;
- • 1960 census figures and careful revisions throughout both volumes assure timeliness.

And a handsome new format will, we are confident, increase the text's proven popularity.

## THE IMPERIALISM READER:

*Documents and Readings in Modern Expansionism*

by Louis L. Snyder, *Professor of History, The City College of New York*

Every major phase of modern imperialism is explored in this comprehensive collection of 178 readings. Professor Snyder's extensive introductory essay establishes historical perspective, and brief introductory notes set the stage for each selection. Arranged to achieve a topical-chronological balance, the readings present divergent views—particularly on the meaning of imperialism, the arguments for and against imperialism, and Communist imperialism.

## RUSSIA: TSARIST AND COMMUNIST

by Anatole G. Mazour, *Professor of History, Stanford University*

In chronological sequence Professor Mazour develops the history of Russia from the appearance of the Varangians and Mongols to the present-day Communist regime. The text embraces the cultural aspects of Russian history as well as the political. One prepublication reviewer commented, "The exposition is at times brilliant and quite rewarding, as for example in the account of the growth of ideological and social theories in the 19th century. One of its principal merits is clarity of expression."

## NEW ANVIL BOOKS ready in February

- • COLD WAR DIPLOMACY 1945-1960, by Norman A. Graebner, *Professor of History, University of Illinois.*
- • BASIC HISTORY OF THE CONFEDERACY, by Frank E. Vandiver, *Professor of History, Rice University.*

# THE SERVICE CENTER FOR TEACHERS OF HISTORY

*Bridging the Gap between Research Scholars and Classroom Teachers*

*Do your students know these materials?*

A series of pamphlets on selected historical topics appropriate to the history courses most widely offered in schools.

Some recent titles: \*

*Japanese History: New Dimensions of Approach and Understanding*, by John Whitney Hall

*The British Empire-Commonwealth: Its Themes and Character; A Plural Society in Evolution*, by Charles F. Mullett

*Civil Rights: Retrospect and Prospects*, by Chase C. Mooney

*Some Elements of East European History*, by R. V. Burks

*Military History*, by Walter Millis

Since many secondary school teachers have neither the time nor opportunity to read widely in monographic literature, these pamphlets have been specifically designed to meet classroom teachers' needs. Each pamphlet purports to bring the reader abreast of current interpretations and significant writings in a specific field of historical study.
