Dear Theresa,

I'm terribly sorry to tell you that DOGE did indeed cancel your award. NEH staff, like myself, didn't realize it was happening. But DOGE directly emailed nearly every active NEH grantee and told them their grants were canceled.

I believe they would have emailed Colleen Sullivan at Dartmouth about this.

I'm so sorry this has happened. I often spoke about the incredible work of the PI, Jesse Casana.

Brett

SAM Expiration Date: 1/6/2026

You cannot request payments because there are alerts that have placed a restriction.

I am not finding anything that indicates this award has ended early so I'm not sure why there would be an alert and restriction placed on this award.

Let me know what is needed to clear the alert so the payment request can be entered into the system.

Thank you for your assistance,

Theresa
